

Impact Masterclass Project

 NATIONALACTIVITIES 

Impact Masterclass Project (IMP) monthly workshops with Community Partners focus on key legal issues and emerging trends in the community sector and facilitate discussion and engagement with the areas covered. Through the workshops we seek to advance attendees' practical skills and legal knowledge and provide the opportunity to seek further tailored assistance.

Stream 1 | Legal skills & knowledge workshops

- KWM lawyers partner with commercial clients to develop and deliver legal skills and knowledge workshops monthly to KWM community partners and pro bono clients.

Stream 2 | Professional skills & knowledge workshops

- The professional skills & knowledge component of IMP focuses on non-legal skills, which aim to streamline and support the way our community partners are able to operate their organisations.
- Non-legal staff positions available to review content for accessibility.

OUTPUTS 

- Monthly workshops including accompanying slide deck provided to community partners and pro bono clients.
- Involvement of commercial client co-presenters, where appropriate.

SHORT TERM OBJECTIVES 

- Community partners and pro bono clients experience improved legal capability and practices.
- Increased referrals for specific legal assistance arising out of workshops.
- Increased sector sharing of practices.

LONG TERM OBJECTIVES 

- Fewer preventable legal issues experienced by community partners and pro bono clients.
- Participant community organisations experience enhanced operating efficiency and minimise risk.

MEASUREMENT 

- Attendance data recorded and evaluated.
- Bi-yearly impact surveys of:
 - Community Partner attendees.
 - KWM participants.

SPECIFIC REQUIREMENTS 

- Open to lawyers at all levels.
- Open to non-legal staff.
